

“Water Cycle Boogie”...sung to the tune of “Skip to my Lou”

Sun a shining from its birth,
Dries the water, dries the earth.
A YELLOW bead shows its worth,
Water cycle boogie.

Evaporation, water’s gone,
To a vapor, won’t take long.
Choose a CLEAR bead, can’t go wrong,
Water cycle boogie.

Clouds are forming drop by drop.
Vapor moving, will not stop.
WHITE bead shows us what’s on top.
Water cycle boogie.

Condensation, water’s here
No more vapor, give a cheer.
A LIGHT BLUE bead, like a tear,
Water cycle boogie.

Precipitation, rain and snow,
Shows us water on the go.
A DARK BLUE bead, don’t you know,
Water cycle boogie.

See the water moving fast,
Runoff on the ground at last.
BROWN bead also joins the cast,
Water cycle boogie.

Transpiration from a tree.
Water vapor you can’t see.
GREEN bead shows it all to me.
Water cycle boogie.
